

Dear Fellow Christians in Christ,

God has a special place for each of us to serve. *"Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms"* (1Peter 4:10).

What is your Gift?

Junior (6-8th grade) & senior (high school) youth need our help and leadership. Do you have a youthful heart? Did you know being around young people helps keep you young as well? Think back for a moment, who was a mentor to you as a youth? Who gave you a firm foundation of your faith? You are probably thinking your parents/guardians, but I bet there were leaders in the church (Youth Leader, member, Pastor, DCE) that also helped you along the way. The youth of St. Peter are the future; consider now as an adult how you can be that "Leader." Have you ever heard the quote, "It takes a village to raise a child?" We are looking to our St. Peter Church village to develop a team of spiritual driven adults to help lead our youth.

Below are many of the youth activities; you will be able to plan, organize, assist or coordinate. Where do you see your role as a faithful Leader in our circle?

Please prayerfully consider where your Spiritual gifts can be used in this ministry. I would love the opportunity to discuss this ministry with you further, please call or email me.

In Christ,
